

## ***Brixworth CEVC Primary School's curriculum is 'Rich, Deep and Ambitious'***

At Brixworth CEVC Primary School we want our pupils to be the best that they can be academically, socially, emotionally, physically and spiritually and we aim to achieve this through providing our pupils with an engaging theme based curriculum.

**'Rich'** - The thematic approach to our learning inspires and motivates our pupils. We aim to create rich and memorable learning by going on trips, visits and having visitors come into our school.

**'Deep'** - We want our pupils to experience a wide breadth of study, to have an ambitious body of knowledge, which is embedded in their long-term memory, as well as promoting their personal growth and development.

**'Ambitious'** – Our curriculum is driven by our bespoke schemes of learning that are underpinned by knowledge and skills which progress year on year. As a result, our children aspire to be the best they can be which our subject topics promote.

Through our rich, deep and ambitious curriculum we believe this will create well-rounded, life-long learners who are prepared for the challenges that await them.

By the time pupils leave Brixworth CEVC Primary School we want them to be the following:

### **Mental Health**

Healthy and fit
