School Photographs

The Photographer will be in school on **Wednesday 22nd September**. The intention is that all pupils, including sibling groups, will be photographed and proofs will be sent to parents without any obligation to order.

Scooters and Bikes

We encourage pupils to come to school on scooters and bikes however they are not allowed to ride on the playground. **There have been a number of 'near misses' reported on the entrances leading to the school gates.**

These can be left in the school provided they are placed outside the staffroom and Mrs Stiles Classroom and are solely the responsibility of the child. They are free to leave their helmet on their handle bars or you can take this home. The school accepts no responsibility for any loss or damage. All scooters and bikes must be removed at the end of the school day.

Assembly Theme Week Commencing 13th September 2021 Core Values

Off-site Activities

Under DfE guidance, written consent from parents is not required for pupils to take part in off-site activities organised by a school which visit local amenities as most of these activities take place during school hours and are a normal part of a child's education at school. However, parents will be notified when these activities are to occur and of relevant safety measures required.

Drop off and Pick up times

Please can we remind you that the first drop off in the morning is 8.45am. Children are not able to enter the building prior to this time. At the end of the day all children must be collected by the last pick up time 3.30pm.

Year 5 and 6 WW2 Topic

To support the topic of WW2 in year 5 and 6 we have been made aware of two local events taking place over the coming weeks.

Saturday 11th September

Desborough are holding a 1940's day complete with a fly past along the streets in the town centre.

Saturday 25th - Sunday 26th September

Wickstead at War is taking place at Wickstead Park. There will be lots of military vehicles and stalls.

Both are great events designed for all the family.

Dogs and Pupils

Dogs are wonderful companions and pets, however, some children and adults are not comfortable near them and can be quite worried by their presence.

Dogs must not be brought onto the school grounds at any time and they should not be tied to the fence as many children are then placed in a position of having to walk past.

Please Note:

Occasionally we may send home information from third parties however the school does not necessarily endorse these activities.

It is the responsibility of parents to ensure the quality of the provision provided including checking the suitability of the provider. These checks include the person having a valid DBS, adequate liability insurance and a relevant First Aid qualification.
