## Assembly Theme Week Commencing 7th March 2022 Trust (Values for life)

# Celebration Assembly

Congratulations to the following children who won awards for consistently upholding one or more of the school values.

### Excellence

Archie S, Noah C, Ava J, Elsie K, Florence R,  
Millie O'G

### Aspiration

Grace L

### Respect

Orla B

### Dogs and Pupils

Dogs are wonderful companions and pets, however, some children and adults are not comfortable near them and can be quite worried by their presence.

*Dogs must not be brought onto the school grounds at any time and they should not be tied to the fence as many children are then placed in a position of having to walk past.*

## Parent View Survey

Here is the tenth question we are sharing from the survey.

## Live Lent: Embracing Justice Challenge

This Wednesday saw the start of the Christian season of Lent, which leads up to Easter. This Lent, we are using the Church of England's "Live Lent: Embracing Justice" 40 day challenge. As we journey through Lent, we will explore how the bible tells us we are all created in God's image and see how it calls us to be speakers and seekers of justice.

In Wednesday's Collective Worship Mrs Stiles shared the Lent Challenge with the children and explained that justice helps us to work out what is fair; what is right and wrong. Everyone is special, valued and important and so everyone deserves to be treated fairly and justly and to be given the same chances to succeed. The children were then challenged to try to see the good in everyone this week.

The 40-day challenge gives suggested activities that the children could complete at home, if you would like to take part. Each week in Primary Word, we will share the activities for the following week. If your child is choosing to take part and would like to share something they do at home, they can post it in the Lent post box in the hall or you could email it directly to Mrs Stiles ([kirsty.stiles@brixworth.org.uk](mailto:kirsty.stiles@brixworth.org.uk)).

**Start of Lent: 2nd – 6th March**

## Week 1: 7th – 13th March

### Justice and Freedom

Exodus, the Second Book of the Bible, tells the story of God delivering the people of Israel from slavery to freedom. Next week we are invited to explore how God guided Moses as he seeks justice for his people (Exodus 3:1-12).

Here are the suggested activities that you might like to try at home:

Please consider whether you want your child to watch the news as Monday's activity. These materials were written before the recent events in Ukraine and we would not want to cause any unnecessary upset or distress.

## WEEK 1 JUSTICE AND FREEDOM

**MONDAY**

**Watch the news today**

Notice anyone being treated unfairly, or anyone whose freedom has been taken away.

**TUESDAY**

**Try to notice every person you see or hear today**

It's easy for us to stop noticing or treating others as being human like us. But God notices and cares for everyone.

**WEDNESDAY**

**Remember that God is with you**

When God asked Moses to lead his people, Moses didn't think he was good enough. But God promised to be with him.

**THURSDAY**

**Find out how Jewish people celebrate Passover**

Jewish people all over the world remember the Exodus each Passover. Find out about the Seder – especially what the special foods are and what they mean.

**FRIDAY**

**Can you spare any food or toiletries for a local foodbank?**

God fed the ancient Israelites with a special bread which did not stay fresh long, so no one could keep too much for themselves.

**WEEKEND**

**Watch an animation that tells the story of the Exodus**

'The Prince of Egypt' might make a good film to watch. Make time to talk about the different characters in the story.

### Character Focus

Over the past two weeks in school we have been focusing on developing children's resilience. Children who are resilient can recover from setbacks and get back to living their lives more quickly. When children overcome setbacks and problems, it builds their confidence and helps them to feel more capable the next time a problem occurs. Some of the ways you can help your child be resilient include; encourage your child to problem solve situations when they may feel nervous, let your child make mistakes (so they can learn it is ok to do so and this is how we learn) and model being resilient as a parent.

We would love to hear and celebrate times you have seen your child show resilience out of school. This may include situations such as them learning a new skill which has not come easily to them such as riding their bike after falling off. Please do share these examples with us by emailing your child's class teacher (photos are always great to see too!)

### **Grants for young people in Brixworth and Scaldwell**

Many families have found things challenging during the Covid 19 pandemic and continue to do so. A small cash grant for educational purposes may help those in need during this difficult time.

The Foundation of Thomas Roe provides small cash grants for young people, under 25, who live in the parishes of Brixworth or Scaldwell.

Grants have previously been provided to support young people with: purchase of school uniform; books and course materials; musical instruments; computer equipment; and travel expenses linked to education, including school trips.

Application forms can be downloaded from Brixworth and Scaldwell Parish Council web sites or from the Clerk at [thomasroefoundation@gmail.com](mailto:thomasroefoundation@gmail.com)

Completed application forms must be returned to the Clerk, preferably by email and in Word format, by midnight on 9 March 2022 for consideration at the charity's next meeting. This meeting is scheduled for 23 March 2022, where grant applications will be considered.

## Planetarium Visit

On Wednesday 2nd March, the Year 5 classes had a visit from Mr Allen and the Black Hole Planetarium. This was an awesome experience since we got to learn loads of facts about planets and see what our solar system looks like.

He used a model Sun, Earth (and other planets) and moon to show us how it all worked. Our favourite part was seeing the constellations of stars around us because it was amazing. Mr Allen told us that the Romans and Greeks imagined pictures in the night sky like bears, a hunter, a lion and a scorpion. We were very lucky to experience the Planetarium as not many people get to!
