Year 4 Ascension Day

The **Year 4** pupils invite you to join them at **All Saints Church** on **Thursday 18th May at 10.30am.** for their **Ascension Day Service.**

Parents of Year 3 Children

In year 4 your child will have the opportunity to go on the Residential trip to Beaumanor Hall. On **Wednesday 24th May at 6pm**, parents of current year 3 children are invited to attend an information evening regarding this trip. This will be held in the Main Hall. Children are not expected to attend this as they will have a meeting of their own during school time.

Assembly Theme Week Commencing 15th May 2023

Jesus Across the World

ling's Coronation Gelebrations

Everyone here at Brixworth Primary school had a fantastic day celebrating the King's Coronation on Friday.

The children began their day enjoying a fun and informative assembly presented by Mr Tyler. Each class then took part in various activities to celebrate King Charles III and the Royal Family.

Lunchtime was a little different to usual as the children and the teachers had their selected coronation lunch together in the classrooms which was thoroughly appreciated by all.

Thankfully, in the afternoon the weather remained dry and everybody was able to enjoy a picnic followed by games on the field.

As an RAF veteran, Mrs Forde had the pleasure of being located within the grandstand for the King's Coronation on Saturday.

She had a fantastic day and said it was an absolute honour to be there.

Sports News

On Tuesday 9th May 20 children from Years 3 and 4 were invited to the opening of the new MUGA at St David's Park. The children met with international basketball player Andre Arissol who has represented both England and Great Britain playing basketball all over the world. Andre told the children his story and how be made the choice to play basketball professionally at the age of 13 and how he has played in many countries around the world, including Hawaii. The children were able to have a short coaching session from Andre and learnt some skills needed to play the game.

Next week it is Mental Health week. The children will be talking about this in their classes and participating in short activities and discussions about what they can do if they ever feel anxious or worried.

On Wednesday they are invited to wear an item of green clothing alongside their school uniform.

What not to say:

"Other people have it worse."

What they hear:

"You're fine, you don't have it that bad."

What to say instead:

"I'm here with you. What do you need right now?"

Fact: Everyone's worries are valid regardless of how 'little' or 'big' they seem to someone else. Anxiety symptoms can severely impact someone's life regardless of the cause of worry and it should be taken seriously.

What not to say:

"Worrying won't solve anything."

What they hear:

"Just stop it - you're able to stop."

What to say instead:

"Let's focus on the here and now and what you can control."

Fact: When you're experiencing chronic anxiety it's difficult to just 'stop worrying'. Remind the person about what they are in control of and to focus on the present moment.

At Brixworth, we aim to continually promote good mental health through PSHE and circle time activities, but this is a great opportunity to practice the skill of talking and listening! We will be having a go at some role plays in school, why not try some at home!
