

CLL

- Listening and attention skills developed through stories and rhymes.
- Able to maintain concentration and attention during small group discussions.
- Talk about ourselves, our likes and dislikes, our families.
- Recognising and writing our own names.
- Begin to link sounds to letters and hear initial sounds in words.

Mathematics

- Singing number songs.
- Counting objects with 1:1 correspondence.
- Recognising numerals 1-10 and counting the correct number of objects to represent that numeral.

PSED

- Developing confidence to speak to others about their needs, wants, interests and opinions.
- Becoming aware of school expectations through developing our class rules and behaviours. Working together as a team.
- Making new friends and working relationships with adults.

Foundation Stage — Autumn Term 2018

'Marvellous Me'

PD—

- Dress and undress independently.
- Health and self care—to go to the toilet by myself and wash my hands without support.
- Introduction to the large hall space.
- Introduction to our kinetic letters poses.

EAD

- Singing songs.
- Exploring colour using different materials.
- Role-play in home corner.
- Explore musical instruments.

UW

- Learning about our families, who is in our family?, where do we live?. Finding out about our new friends and class.
- Talk about own lives, similarities and differences to others.
- ICT— introduction to class laptops, interactive white boards and lpads.

Stunning Start:

Starting school

Marvellous middle:

Making new friends

Fabulous finish:

Superhero party.
