Computing

Children will learn how to use text boxes, word art and how to manipulate these around a page.

Using these skills children will create an information poster either on Queen Victoria, the British Empire or a famous Victorian scientist.

English

First half term- children will create their own version of the story **Alice in Wonderland**. Children will create a newspaper article based on Alice in Wonderland.

Second half term using the story

Oliver Twist children will write a diary
entry as an orphan and a letter.

Music/Dance

Children will soundscape music to parts of Alice in Wonderland

Children create their own dance routine focusing on gestures, dynamics, jumps and ways of travelling

Learn and perform the song Food Glorious food from Oliver and the
