### Assembly Theme

Jesus as a story teller

Week Commencing:  
11th March 2019

### WANTED - Old Newspapers

Year 1 & 2 kindly request that if you have any old newspapers please can you bring in and take to either a Yr 1 or 2 classroom or the school office.

### Attendance

We are trialling a new way to celebrate high attendance in our school. There will now be a point system in place, and classes, as well as individual children, will be rewarded.

The points will be awarded each week depending on weekly and year-to-date attendance of the class. This allows classes to be awarded points even if some children are late, ill or absent.

On the last day of a half term, the top 3 classes with the most points will receive a golden ticket. Then on the first day back after the break the classes will attend a surprise event. At the end of every term, in addition to the top 3 classes receiving a golden ticket, the children with 100% attendance will also receive a ticket to the event.

Our first event was a cinema experience in the small hall with treats for the children to enjoy.

*'I loved the Attendance Award because I loved watching the awesome movie! Also as my class came first we were allowed to sit on the chairs.'*

Sienna H Yr 3

*'I loved the Attendance treat because we got a chance to watch a brand new movie and eat popcorn and ice lollies.'*

Jasper M Yr 2

*'The Attendance surprise was incredible. If you win, you'll enjoy every moment. I hope my class wins it again!'*

# Superhero Festival

On Thursday 14th February 25 KS1 children travelled to Moulton School to take part in a Superhero festival. Whilst there the children experienced a round robin of activities which introduced them to a range of different skills. Some of these were Tag Rugby, Kurling, Throwing, Jumping and Party Games. All the children behaved impeccably and represented KS1 very well.

# Year 6 Tudor Visit

On Tuesday 26th February, a man came in and talked to us about the Tudors. He told us about the times when he went on adventures with Sir Francis Drake and when he was in heroic battles. He told us about the musket and how it all works. When you fill the gun powder pouch, then you pull the trigger and BANG! He showed us the little pots of gun powder and where it is put; it was called a pan. He told us about the depth finder and how it worked. He even showed us a bow! We also learnt how to work out what speed you are travelling at. He measured it in knots. He had a timer that every 30 minutes you had to flip it. Master Elliott showed us lots of things and I learned so much. Thank you Master Elliott.

Charlie S Year 6

We had a Tudor visitor come to our school as part of our Topic learning. He told us about his adventures trying to get gold from Spain with Sir Francis Drake. We learnt about how there are 32 directions on a compass and useful tools to find out where you are in the sea. I loved this experience and wish I could meet him again.

Lucas W Yr 6

On Tuesday 26th February a Tudor visitor, Master Elliot, came and talked to us about the Tudor times and the Tudor Weapons. The first weapon he showed us was a Rapier Sword (a long sword with a protector over the hand).

Then he showed us the Musket which is a gun that they used in the Tudor times, he taught us how to load it. Master Elliot also told us about his journey round the world with Sir Francis Drake and it took 3 whole years. My favourite part of the experience was when he showed us some of the spices from his travels. We had to smell them and guess what they were. These included ginger and nutmeg. I really enjoyed this day, I was amazed.
