Thank you

As I am sure many of you are aware, on Sunday the Site Supervisor came into the school only to discover that a pipe had burst, which had flooded all 3 year 6 classrooms. I wanted to write and say a very big THANKYOU to everyone who came to help us out during that morning. I was absolutely overwhelmed by the incredible support of parents, staff and the local community. Occasions such as these remind me of how privileged I am to be a part of such an amazing school and community. All being well the children should be able to return to their classrooms on Tuesday.

Congratulations to Lucy Burrage and Partner on the birth of their son Toby.

Congratulations to Felicity Pirie and Partner on the birth of their son John.

Mufti Day

To support the Mighty Magnus Fundraising Day on Friday 24th May we will be holding a mufti day.

All proceeds will be going to the Mighty Magnus Medicine Fund. More details to follow via ParentMail.

Essential Information

We require up to date **phone numbers** where it can be ensured **we can contact you**, or somebody who can take full responsibility for your child, in the event of an **emergency**.

It is essential we are aware of all **medical conditions**, including **allergies**. Some lessons will involve food smelling and tasting. Teachers will use the information we hold on the child's records to establish if your child is able to participate in these sessions.

Should any of the above details change please ensure you inform the school office so we can amend your child's records accordingly.

Mental Health Awareness Week - Monday 13th - Friday 17th May

We are taking part in Mental Health Awareness week from Monday 13th until Friday 17th May. As part of this week all children will take part in a Zumba session and the school nurse will talk with each year group about this year's theme which is 'Body Image.' Alongside these activities every class will complete a session each day focusing on Mental Health.

Celebration Assembly

Congratulations to the following children who won awards for consistently upholding one or more of the school values.

Dancescene Dazzles Disney

The dance school that I go to, called Dancescene, auditioned to dance in Disneyland Paris. It took a few months to get the results, but we got through and found out we were going to dance in Disneyland Paris.

Grace G Yr 6

When I got onto the Disney stage I felt amazing because I couldn't believe I was dancing at Disneyland Paris.

Cali R Yr 3

I felt nervous and excited before I danced on the Disney stage. Once the show had started I loved every minute. It was the best time of my life.

Amelie V Yr 2

I felt so good dancing on the Disney stage. My favourite ride was the Buzz Light year one.

Leah V Yr 2

Disneyland Paris was the best experience of my life. Dancing on stage made my adrenaline go crazy and the workshop was absolutely amazing and I loved working with people who dance in the parade.

Nia C Yr 6

The Start of Term WOW!!!

This week the children were introduced to their topics for the Summer term.

Foundation - Once upon a time

Year 1 & 2 Out of the Egg

Year 3 & 4 The Greeks

Over the course of the Summer Term our children will be learning about The Ancient Greeks and how this part of history has influenced our world today. For the wow start, children were not told what the topic was but instead they undertook many different activities which allowed them to try and solve the mystery. The activities included making Greek wreaths, investigating the post and lintel system and how strong it is, the Greek alphabet and reading a Greek myth.

Year 5 & 6 The Great Outdoors

For our topic, The Great Outdoors, we went onto the school field and did a number of activities. One of them was to go into the activity area and complete the course without touching the floor. If one of our class members accidentally touched the floor, everyone had to go back to the start. It was annoying because people kept on falling! Another one was making the nicest looking camp but we had to put up the tents on our own. It was hard! The most liked activity was the balloon game. It was a game where we had to blow up balloons and tie them on our ankle, after we would go on the grass, and try to pop other people's balloons. The last person standing won. Some people stood on their own balloon! Another one was making a structure to hold a football for 5 seconds with sticks and other objects. It was amazing. We wish we could do it again.
