Year 5 and 6 invitation

For the year 5 and 6 'Fabulous Finish' we are going to be having a Teddy Bears' Picnic on **Monday 22nd July**. All of the year 5 and 6 children and their teachers will be eating lunch together outside on the field (teddy bears are of course welcome!). This will happen during the normal lunchtime and children will need to bring their packed lunches as normal (no food will be provided). Please can parents ensure that **no food is brought in that contains nuts**. Children who are entitled to free school meals will be provided with a packed lunch.

Kingswood Catering

The last date to order your child's meals with Kingswood Catering for September is **Wednesday 28th August**.

Please can we remind current Year 2 children that they will no longer be entitled to universal meals from September.

Foundation Stage in September do not need to order meals yet as they will have the packed lunch meals for the first 2 weeks.

School Holiday Office Opening Times

The school office will be open **9am-4pm** from **Thursday 25th July to Friday 2nd August** and then from **Tuesday 27th August** onwards for any queries.

Please note that the office only have limited uniform stock and uniform should be purchased online with www.brigade.co.uk before **Wednesday 7th August** for summer holiday delivery.

Praise Letters

Congratulations to the following children on receiving a praise letter from their teacher last week:

Alex G, George C, Jake M, Gracie-Mae S, AJ McC, Emily O'T, Benjamin G, Liam S, Lily M, Isaac H, Olivia-Rose R, Jack T, Kayla R, Esmae B, Jude C

This is the last Primary Word of the year. Trophy Edition will be issued next week.

Miss Davies 99.6%

We wanted to write to the school community to send our deepest thanks for your unwavering support of Magnus and our family. It is really hard to put into words what this has meant to us and 'thank you' seems wholly inadequate. We have known, throughout the most difficult of times, our backs were covered.

When you read this we will be in New York waiting for Magnus to receive his first vaccine. After such a long time of receiving such difficult treatments this is a really positive step forward for his future. You have all made this possible and we thank you for your dedication to the fundraising for his campaign.

We hope you have an amazing summer break, with much love Kate and Sandy Dixon

Congratulations to all the children who participated in the Rocksteady concert and Samba Drumming end of term assembly.

Year 3 and 4 Mosque Visit

Over the last few weeks Year 3 and 4 have visited a Mosque in Wellingborough to continue our learning about the Muslim faith Islam.

When we arrived we had to take our shoes off as a sign of respect and it keeps the Mosque clean. The gentleman told us about the 5 pillars of Islam. Hajj is when Muslims go on a pilgrimage to Mecca. Sawm is when Muslims do not eat or drink, known as fasting. He showed us where Mecca was and answered our questions.

Also he told us how many Muslims there are and how many Mosques there are. Some Muslims can't fast because they are either under 12, ill or pregnant.

Eva R Yr 3

Celebration Assembly

Congratulations to the following children who won awards for consistently upholding one or more of the school values.

Year 5 Science Day Moulton School

On Wednesday 10th July, Year 5 went on a Science Day to MSSC (Moulton School and Science College). The lessons we went to were chemistry, taught by Miss Dorey, biology, taught by Mr Atkinson, and physics, taught by Mr Golsby; we had a lot of fun! At lunchtime, we went to the eatery and bought some food and drink. I am definitely going to MSSC!

Sean C Yr 5

Our first lesson was chemistry where we learnt all about the safety signs. After, we mixed the contents of the test tubes together and described what happened. We also set bubbles on fire, it was so fun! Then we went to our next lesson, which was biology where we learnt about the digestive system. The whole day was so fun and my favourite lesson was chemistry.

Jaimee G Yr 5

Year 5 Girls

Silverstone Science Day

On Wednesday 10th July I went to Silverstone race track for a Porsche experience. This was to inspire girls to join the engineering and motorsport industry. When we got there, they gave us special t-shirts to wear. These were to tell which group you were in. We had white shirts. The first thing we did was go and see some teenage girls who made wooden formula 1 cars and then raced them down a 20 metre track. They explained to us why and how they made them. After that, we did a pit stop challenge where we had to change tyres on a fake car. We then went to an activity where we had to make air hovercrafts. We made them by using a shower curtain, insulation and duct tape. Also, we went in a Porsche car and a man drove us around in it we did skidding and lots more. We learnt how to interview the winners on the podium after an F1 race. We looked round lots of cars and met a lady who broke her neck but is still racing. We did many other things as well. It was a great day; I loved it!

Freya A Yr 5

Notivate 2019

On Wednesday the 10th of July, twelve selected pupils (including Grace G, Miles M, Isabella M, Tinzy R, Catherine P, Emilia A, Noah R, William C, Brandon M, Lewis D, Emma B and Evelyn T) went to The Stables in Milton Keynes. Over the past few weeks, every Wednesday afternoon, we wrote, recorded and sung the songs we made up. We got on the mini bus with Mr. Rayner and he told us not to sing 'wheels on the bus' because we are singers and that will waste our voices! Our music instructor, whose name is John, took us on a tour around The Stables before we went to the recording room. The first group to record was Miles, Grace, Emma and Evelyn's group. Then it was the boys group: Lewis, Brandon, William and Noah. Then we all had our lunch outside. Finally it was the girls group: Emilia, Tinzy, Catherine and Isabella. When we had finished we all went back to our dressing rooms to collect our belongings and then we sadly had to leave. It was a fantastic day!

Evelyn T and Emma B Yr 6

Girls Football World Cup

On Tuesday 16th July 8 Yr 4, 5 and 6 girls took part in a football competition with a World Cup theme. On a very hot afternoon in Daventry, the team played 3 matches in the group stage and won all 3 without conceding a goal. The semi-final was a tougher match against Weedon Bec but the team won 3-1 which meant they made the final, but unfortunately the girls lost this 1-0. However, throughout the competition each team scored their opponents on 6 values of honesty, determination, self-belief, respect, passion and teamwork and I am pleased to say Brixworth won this award. This is a true reflection of how gracious the girls were both in victory and defeat. This is another example of how amazing our children are and what sets them apart from the rest.

Team: Mia J, Evie P, Harriot R, Lauren H, Gracie G, Teagan N, Elizabeth C and Katie B.

Also congratulations to both Evie P and Mia J for being accepted into the Cobblers Girls Football Academy.
