Website: [www.brixworthprimary.org.uk](http://www.brixworthprimary.org.uk)  
Headteacher Mrs K Young

We hope that everyone had a lovely half term and enjoyed the great weather.

This week we have been delighted to welcome back our Year 1 and Year 6 pupils and help them settle back into school life in their 'bubbles'. Each bubble has an animal name and you can see later in this edition how the children have been learning and drawing these creatures.

Next Monday our Foundation Stage children will also be joining us. For those children not attending school home learning is still available in the same way as before and teachers are still contactable through their email. Please do remember that all teaching staff will be teaching throughout the day so they may not reply straight away to you.

Should you have any concerns or questions please email [office50@brixworth.northants.sch.uk](mailto:office50@brixworth.northants.sch.uk) so we can respond accordingly.

## Reading Books

Due to the current situation it is not possible for us to send reading books between home and school. There are however a number of alternative online reading books which your child could access at home. These are listed below:

<https://www.oxfordowl.co.uk/> Click on the Oxford Owl for Home enter site button. There is a box called 'Free eBook Library' – click on browse eBooks. Books are organised in ages.

<https://connect.collins.co.uk/school/Portal.aspx#> Click on Teacher Sign in and enter:  
Username: [parents@harpercollins.co.uk](mailto:parents@harpercollins.co.uk) Password: **Parents20!** and click Login.  
Click on Collins Big Cats – Books are grouped by colour bands – they match the ones we use at school.

<https://phonicsplaycomics.co.uk/> Click on the comics tab and select a Phase 4 (easier) or Phase 5 (harder) book.

## Classes for September 2020

During this next term the classes in which pupils will be placed for September will be considered by the teaching staff. The main criteria applied to the process will be designed to ensure that each class has pupils with a range and balance of attainment, with consideration being given to social groups and pupil relationships.

If as a parent, there is a historical reason why your child should not be in the same class as another child then please let us know by emailing [office50@brixworth.northants.sch.uk](mailto:office50@brixworth.northants.sch.uk) by Wednesday 11th June.

There can be no guarantees that the views expressed by any parent will determine the classes for next year, but the school will give careful consideration to these views when arranging class lists.

# Welcome Back...

Each Bubble has been marking their area of the playground with their animals. Here are the Starfish and Penguin's areas.

Desks are set out individually with each child having their own tray and pen pot.

'It's very cool and unusual because it was like normal in the morning but after lunch it was like golden time. Although none of my friends are in here I made friends with the year 5s.'  
**William S Yr 3**

We have a one way system around the school.

Each Bubble has a zone on the playground for their playtime.

Our keyworker and Year 6 Bubbles made their own bubble mixture and giant bubble wands with garden canes and string. We also experimented with adding paint to see if we could make pink bubbles-we couldn't! We had a lot of fun making bubbles and developing our 'technique'!

# Welcome Back...

‘At first it was a bit weird because I hadn’t been in school for a while but on the second day I felt better.’  
**Maisy McC Yr 4**

**Bella F Yr 6**  
produced a Mayan Art animal during this weeks Art lesson.

## Will signs for Northampton Town U9s

Will B, Year 3, has signed schoolboy forms with the elite U9 Academy squad at Northampton Town FC for September. This is the top team at the professional club for Will’s age group with a squad of nine players. Will can look forward to regular games against the likes of Portsmouth and MK Dons next season as well as to showcase games against Premier League teams such as Liverpool and West Ham United.

Will can be seen in the photos signing his forms.

Well done Will!
